

MR1201
 12V Cordless Pop Riveter 4.8mm

BATTERY POWERED RIVETING TOOL

Model: MR1201
 Ø 2.4mm 3.2mm 4.0mm 4.8mm

ADVANTAGE
 The Patented MSR1201 Cordless Riveter is ideal for outdoor riveting application where air compressor is not available.

PERFORMANCE
 The MRV1201 Cordless Riveter can set blind rivets up to Ø 5.0mm in all materials.
 High battery autonomy
 High Stroke of 20mm

COUNTRY OF MANUFACTURE
 All parts are made in Taiwan to the highest Standards of CE & MS Tools

CORDLESS RIVETER DATA:
 Operating Voltage: 12 Volt DC
 Pulling Strength: 8500 N
 Total Stroke: 20mm
 Weight: 2.2Kg with Battery
 Pulls 316 Stainless Steel with ease

BATTERY CELL
 Nominal Voltage: 12 Volt
 Nominal Capacity: 1.7Ah
 Number of cells: 10
 Cells composition: Nickel-Cadmium
 Weight: 0.65 kg

QUICK BATTERY CHARGER
 Input Voltage: 230V / 50Hz
 Charging Time: Approx. 60 minutes
 Weight: 0.5Kg

TECHNICAL DATA:
 Riveting Capacities
 Ø 2.4mm 3.2mm 4.0mm 4.8mm
 Application for
 Aluminum, Steel and 316 Stainless steel rivets
 Weight
 1.8Kg
 Charger
 60 mins charging time
 Battery
 12V
 Warranty
 12 months Australia Wide Warranty
