Threaded Rod Gr316 Stainless Steel Metric Coarse

Allfasteners are Australia's favourite online store for threaded rod. We keep all applications covered.

- 316 stainless composition of 16% chromium, 10% nickel and 2% molybdenum for marine grade performance.
- It is also available in a host of choices for diameter and length –
- From M6 in 1m lengths to M36 in 1m.
- M10, M12 and more in 3m lengths.

Excellent in salt-rich environments like near seawater and any other corrosive elements.

Also see our entire range of [threaded rod here](#).
