

VINYL PROTECTIVE TAPE

WHITE

AF® PROTECTIVE TAPE (11PRT)

Allfasteners' protection tape is perfect for temporary use protecting window frames during transportation and installation. Made from a strong non-deforming vinyl material, this tape applies easily and can be easily removed without leaving any form of residue. The white version of this tape can be written on for clear identification purposes. Available in standard 66m roll lengths in a variety of widths from 24 to 100mm.

FEATURES

- A matte SPVC film coated with rubber based adhesive on one side
- The surface colors for logo printing with medium tack
- Application for protecting aluminum or plastic window
